### **Chandler Community Court Honors Motorola Volunteers**

Chandler, AZ – Volunteers from Motorola will be recognized for service and cost savings to the Chandler Justice Court, Thursday, February 7 at the Chandler Community Court Advisory Board Meeting held at the Justice Court, 2051 W. Warner #20, Chandler.

“We are very honored to have such a tremendous volunteer program here in Chandler,” said Justice of the Peace Ron Johnson. “We have built an excellent public/private partnership with Motorola in the past year, and we greatly appreciate their contributions to the community court.”

In addition to serving as a member of the Citizens Advisory Board, Motorola Community Relations Coordinator Judy Evancho was instrumental in involving the court with the StRUT (Students Recycling Used Technology Program), a nonprofit program of which Motorola is a sponsor. Through this relationship, the Chandler Justice Court was the recipient of eight computers to be used for volunteer programs.

Johnson said another linkage between Motorola and the community court has been through the Youth Leadership Program sponsored by Motorola. Johnson serves as a member of the Youth Leadership Committee and the Chandler Justice Court hosted the students for Career Day with a teen court calendar.

“I view the community court as an integral part of the Chandler Community,” said Evancho. “Serving on the council has given me a unique opportunity to learn more about the justice system and efforts to reach out into the community to provide assistance.”
